RE: State of Minnesota Emergency Executive Order 20-20 Directing Minnesotans to 'Stay at Home' – Continuation of all ATS&R Planners/Architects/Engineers Project Operations

On Wednesday, March 25, 2020, Governor Walz issued Emergency Executive Order 20-20, which mandates that certain businesses cease activities within the state. The Minnesota Critical Businesses List issued by the State of Minnesota lists the following: *Architectural and Engineering Services / Code 5413 / Critical Industry: YES*. The full Emergency Executive Order 20-20 can be read at this [link](#), and the Minnesota Critical Businesses List can be viewed [here](#).

In compliance with Emergency Executive Order 20-20, ATS&R Planner/Architects/Engineers' will remain open for business on March 27th and for the foreseeable future. We will continue to serve our clients and conduct operations in accordance with current CDC guidelines, continuing to put the health and well-being of our clients and employees first. Most of our staff will be working remotely to help slow the spread of COVID-19 and will be available to you via their normal contact information.

If you have any questions or concerns, please do not hesitate to contact our Front Office at 763-545-3731 or by reaching out to your direct contact or project manager at ATS&R.

Current information may also be found at www.atsr.com/news and we will keep this information updated as we move forward. We will continue to monitor the situation and will communicate all necessary additional information as the situation evolves.

Sincerely,

Dean S. Beeninga
ATS&R President
