ATS&R Welcomes Parkos as Co-Director of Mechanical Engineering

Minneapolis, MN – June 5, 2014 – ATS&R welcomes Blayne Parkos, PE/LEED AP BD+C as Co-Director of Mechanical Engineering. As Co-Director of Mechanical Engineering, Parkos will provide oversight, review and leadership to ATS&R’s mechanical engineering team. He will also serve as senior mechanical engineer on several design projects.

Parkos comes to ATS&R with 15 years of mechanical engineering experience. He graduated from North Dakota State University with a bachelor’s degree in mechanical engineering. He is a registered engineer in Minnesota and a LEED™AP BD+C. Parkos is an active member of ASHRAE, American Society of Healthcare Engineers (ASHE) and American Council of Engineering Companies (ACEC).

“As Co-Director of the ATS&R’s Mechanical Department, I am very pleased that Blayne has joined our team. His experience, knowledge, and energy will be a great addition to ATS&R and will allow us to continue to provide great service to our clients,” expressed Terry Stofferahn, PE.

Celebrating 70 years in business, ATS&R specializes in educational facility design and offers comprehensive planning, architecture and engineering services. Our team provides quality and efficient professional services that revolve around integrity, fairness, and respect that enables the perpetuation of our firm...to serve as a model for others. With professional services including architecture, educational facility planning, mechanical engineering, electrical engineering, interior design, technology, site development, field administration, and total energy checkpoint, we partner to create designs that respond to our client’s needs, mission, and values.
